Subject: **Termination of NPDES Permit Tracking Number TNG110384
BRADLEY CONCRETE CO., INC.
Charleston, Bradley County, Tennessee**

Dear Mr. Lambert:

This letter is to inform you the Division of Water Resources (division) is terminating the above referenced permit coverage effective as of the date of this letter. As stated in your letter, activities at 1500 Lauderdale Memorial Highway that required an NPDES permit were discontinued.

Please note that all discharges of storm water runoff and process wastewater associated with Ready Mixed Concrete Facilities require an NPDES permit from the division. Therefore, if you should decide to again discharge, you should submit an NOI in accordance with the requirements of the NPDES at least 30 days prior to the starting of any activities. A copy of the NOI form can be obtained at <http://state.tn.us/environment/permits/concrete.shtml>.

If you have questions, please contact the division at your local Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Paul Higgins at (615) 532-1178 or by E-mail at Paul.Higgins@tn.gov.

Sincerely,

Vojin Janjić
Manager, Water-based Systems
